A

Be it enacted by the Legislative Assembly of Goa, Daman and Diu in the Thirty-eighth Year of the Republic of India as follows:—

The Goa University (Amendment) Bill, 1987

(Bill No. 8 of 1987)

A  
BILL

*further to amend the Goa University Act, 1984.*

Be it enacted by the Legislative Assembly of Goa, Daman and Diu in the Thirty-eighth Year of the Republic of India as follows:—

1. *Short title and commencement.* — (1) This Act may be called the Goa University (Amendment) Act, 1987.

(2) The provisions of section 2 shall be deemed to have come into force on the 22nd day of September, 1986 and the remaining provisions of this Act shall come into force at once.

2. *Substitution of new section for section 39.* — For section 39 of the Goa University Act, 1984 (Act 7 of 1984) (hereinafter referred to as the "principal Act"), the following section shall be substituted, namely:—

"39. *Completion of courses of study in colleges or institutions affiliated to the University of Bombay or South Gujarat.* — Notwithstanding anything contained in this Act or the Statutes, Ordinances and Regulations, any student of a college or institution situated within the Union territory and affiliated to the University of Bombay or South Gujarat University who immediately before the date of commencement of this Act was studying or was eligible for any examination of the University of Bombay or South Gujarat University, shall be permitted to complete his course in preparation therefor, and the University shall provide for such period and in such manner as it may decide for the instruction, teaching and training of such student in accordance with the courses of studies of the University of Bombay or South Gujarat University and such student shall be permitted to appear at the different examinations held by the University of Bombay or South Gujarat University for such period or periods, as the appropriate University may decide, and be eligible to receive the degree, diploma, certificate or any other distinction of the University of Bombay or South Gujarat University."

3. *Insertion of new section.* — After section 39 of the principal Act, the following section shall be inserted, namely:—

"39A. *Taking over of charge of Centre for Post-graduate Instruction and Research.* — (1)

From such date as may be fixed by the University in consultation with the University of Bombay, the University shall take over charge of the Centre for Post-graduate Instruction and Research operating in Goa and all rights, interests, titles and liabilities vested in that Centre immediately before that date, shall vest in the University.

(2) The University may, as and when it deems fit, declare that the Centre taken over by it under sub-section (1) shall be closed with effect from such date as may be specified in the declaration and that Centre shall be deemed to be closed accordingly:

Provided that any student who was studying in that Centre immediately before that date, shall be permitted to complete his course of study and the University shall provide him instructions, teaching and training for a period of five years from that date and such student shall be eligible to take such examination:

Provided further that any other student who was eligible for any examination of the University of Bombay immediately before that date may take such examination."

4. *Repeal and Saving.*— (1) The Goa University (Amendment) Ordinance, 1986 (Ordinance No. 1 of 1986) is hereby repealed.

(2) Notwithstanding such repeal, anything done or any action taken in exercise of any power conferred by or under the principal Act, as amended by the said Ordinance, shall be deemed to have been done or taken in the exercise of the powers conferred by or under the principal Act as amended by this Act as if this Act were in force on the day on which such thing or action was done or taken.

#### Statement of Objects and Reasons

Section 39 of the Goa University Act, 1984 enables any student of a College or Institution who immediately before the admission of such College or Institution or to the privileges of the Goa University was, studying for a degree, diploma or a certificate as the case may be.

In May 1986, the Bombay University communicated the decision of their Executive Council that besides an amendment of the Bombay University to hold examinations outside their jurisdiction, an amendment of section 39 of the Goa University Act is also necessary to provide for conducting examinations by the Bombay University in Goa Colleges.

This Bill seeks to amend the Goa University Act, 1984 to this effect.

Also, the Goa University Act, 1984 does not contain any provision for taking charge of the Centre for postgraduate Instruction and Research. The High Court of Judicature at Bombay (Appellate Side) in Writ petition No. 4955 of 1986 has given directive that necessary legal action may be taken to legalise the defacto merger of the CPIR with the University.

This Bill seeks to amend the Goa University Act, 1984 so as to provide for taking over of the CPIR by the University and on its closure, to enable the University of Bombay to continue to examine such

students who continue to be under the Bombay University till they complete their research project and award them degree/diploma/certificate/any other distinction.

The following Bill which was introduced in the Legislative Assembly of Goa, Daman and Diu on 23rd March, 1987 is hereby published for general information in pursuance of the provisions of Rule-136 of the Rules of Procedure and Conduct of Business of the Legislative Assembly.

The Goa, Daman and Diu Highways (Amendment) Bill, 1987

(Bill No. 9 of 1987)

A

BILL

to amend the Goa, Daman and Diu Highways Act, 1974.

Be it enacted by the Legislative Assembly of Goa, Daman and Diu in the Thirty-eighth Year of the Republic of India as follows:—

1. *Short title and commencement.*— (1) This Act may be called the Goa, Daman and Diu Highways (Amendment) Act, 1987.

(2) It shall be deemed to have come into force with effect from 1st January, 1986.

2. *Insertion of section 54 A.* — In the Goa, Daman and Diu Highways Act, 1974 (Act 10 of 1974), after section 54, the following section 54 A shall be inserted, namely:—

*"54 A. Power of Government to levy fees for services or benefits rendered on highways, etc.* — (1) The Government may, by notification in the Official Gazette, levy fees at such rates as may be laid down by rules made in this behalf for services or benefits rendered in relation to the use of permanent bridges costing more than rupees twenty five lakhs constructed on State Highways, major district roads and village roads, which are thrown open for the public on or after the first day of January, 1986:

Provided that if the Government is of the opinion that it is necessary in the public interest so to do, it may, by like notification, specify any bridge in relation to the use of which fees shall not be leviable under this section.

(2) Such fees when so levied shall be collected in accordance with the rules made under this Act."

#### Statement of Objects and Reasons

The Goa, Daman and Diu Highways Act, 1974 does not provide for levy of toll fees. The Finance Minister in his budget speech for the year 1986-87 in the Assembly session in March, 1986, informed

that toll fee would be levied for the new Borim Bridge and the Querim Zambul Belgaum road.

The construction of the Borim Bridge has now been completed and it is thrown open to the public in 1986. It is, therefore, necessary to collect toll fees for the use of the said Bridge.

The Bill seeks to amend the Goa, Daman and Diu Highways Act, 1974 so as to provide for levy of toll fee in relation to the use of permanent bridges which are thrown open for the public on or after 1-1-1986.

#### Financial Memorandum

In clause 54 (a) of the amendment to the Goa, Daman and Diu Highways Act, 1974 (Act 10 of 1974) it is proposed to levy fees for services or benefits rendered by the Highways. Recently we have completed the construction of Borim Bridge which has been thrown open for public in 1986. The said toll fees will be collected by way of public auction, and therefore, no Govt. servants or office is proposed to be created. Therefore, there would be no financial implications involved.
